**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are consumers of Sonic, a small business owner in Santa Rosa CA who supports broadband competition.

There will be substantial price hikes in our internet and phone service if AT&T is allowed to stop this competition.

Why should just one company control this access???

It only increases our cost and does NOT provide a better service.
